FROM THE PRINCIPAL

Hello to all in the St Brigid’s community.

Term 1, Week 8

This Sunday is the Third Sunday of Lent

For the next three weeks we read from John’s Gospel and we are reminded of three images of Christ; He is - the living water, the light of the world and the resurrection and the life.

This week it is Jesus as the living water. In the first Reading, God, through Moses, gives the wandering Hebrews, just freed from slavery in Egypt, life giving water after they feared perishing in the desert.

In John’s Gospel the story of the Samaritan woman meeting Jesus at the well is narrated. Through the meeting the woman comes to recognise Jesus as the Christ. He is revealed as the living water; again a gift from God for those in need. Through the exchange the woman comprehends what is revealed to her. She progressively addresses Jesus as ‘a Jew’, as ‘Sir” as ‘a Prophet’ and then finally as ‘the Christ”.

As we dialogue with Jesus through Lent do we recognise him as the Christ and as Living Water gifted by God to strengthen, sustain and refresh us?

What’s on over the next week.

The monthly Parents and Friends’ Association meeting will be held on Wednesday, March 19th, commencing at 7 pm in the staff room.

Interschool sport will commence on this Friday afternoon for students in Years 5, 6, and 7.

St Joseph’s Feast Day is celebrated on Wednesday March 19th.

Year 4 classes will participate in an excursion to Ngutana Lui at Inala on Friday. Ngutana Lui is the Brisbane Catholic Education Indigenous Studies Centre.

Assembly Prayer this week was led by 3A whilst 3B will lead next weeks’.

Parent/Teacher Interviews

Over the next month class teachers will be offering parent/teacher interviews to report on children’s progress during Term 1. When the notice is provided to you I urge you to respond as requested and accept the invitation for a formal interview. Some interviews will be offered this term and some will be offered early next term.
P and F Easter Raffle

Thanks to those families who have already provided goodies for the Easter hampers which will be the prizes for the P and F Raffle Easter. Keep the donations coming.

SWPBS

This week we will be expanding on Rule #1: Respect for Self and Others - in the classroom by; taking turns, sharing, encouraging others’ efforts and ideas, practising patience, contributing to lessons, raising your hand instead of calling out, using manners and allowing others to make mistakes.

Parish News

The Apostolic Nunciature in Australia has announced that His Holiness Pope Francis has appointed, as Bishop of Rockhampton, the Reverend Michael Fabian McCarthy, who has been until now the Episcopal Vicar for Clergy of the Archdiocese of Brisbane and Parish Priest of Hendra and Northgate.

The Diocese of Rockhampton has been vacant since the retirement of Bishop Brian Heenan on 1 October 2013.

TOUGH love – bring it on.

Parents should not “live in fear of establishing rules of the house”, a judge has said in a court case that’s bizarre even by US standards.

Rachel Canning is suing her father and mother for financial support, including payment of private school fees and a proposed university education, even though she is no longer living at home.
Her father is distraught, understandably enough, that his oldest child has chosen litigation over reparation, but concedes he and wife Elizabeth may have spoiled the girl growing up, giving her too much.

And in the Canning case, is it tough love too late?

Over-indulgence is possibly the greatest mistake of modern parenting in prosperous societies like ours.

Add to this largesse of “stuff” a failure to set and enforce limits, and you are guaranteed to turn out young adults with an overblown sense of entitlement.

Kids need to know that whether or not they agree with us the result will be the same; there is no point arguing the toss.

Saying no isn’t always easy – especially when time-poor parents lack the emotional will to deal with dummy spits – but it is always important.

These days, however, parents often fall into the trap of trying to be their children’s friend, even to the point of defending them when they break other people’s rules. So what if the school says no mohawk haircuts, my kid wants one; who do the police think they are, telling my son what he can and can’t do?

This is unhealthy and unproductive because, like it or not, we live in communities, not on islands for one.

Children need to be taught from an early age that their behaviour has consequences, the rights of others and or property are to be respected, and sometimes – make that often – life doesn’t turn out the way they’d like.

Other parents I talk to tell a similar story, and I wonder if we haven’t made a rod for our backs through this relatively recent parenting technique of negotiation.

“Just do it” has disappeared from the dialogue.

We now explain why things matter – helping around the home, getting enough sleep, being respectful, eating well, spending time away from technology – and this is good, but we can take it too far.

We over-negotiate.

Kids need to know that whether or not they agree with us the result will be the same; there is no point arguing the toss.

We are the parent in the relationship and practising tough love is part of the job.

St Joseph, the husband of the Virgin Mary and adoptive father of Jesus, was a descendant of

King David and a carpenter by trade. During his betrothal to Mary he became distressed when he heard that she was with child, but an angelic vision reassured him that this was all part of God’s plan. After Jesus’ birth he was warned in a dream to flee with his family to Egypt, in order to escape from King Herod. Joseph showed great faith
in his willingness to do whatever God asked of him. St Joseph is the patron saint of many causes including families, expectant mothers, workers and people in doubt. His Feast Day is March 19th.

Have a good week.

Be a Good Egg this Easter!!

... a Social Justice announcement (taken and adapted from Saints Peter and Paul's Parish Newsletter, with thanks)

Do you know children as young as 12 years old are picking cocoa in West Africa to make the chocolate we eat? Some of these children are trafficked (sold as slaves – yes, this still happens!). Most are forced to pick cocoa from an early age for minimal or no wages, for long hours, in dangerous working conditions, without any possibility of attending school. Most of these children have never tasted chocolate.

Five years ago Australian supermarkets did not have any Easter chocolate certified as slavery-free, but last year there were at least six slavery-free Easter eggs and choc rabbits available.

They were: Divine eggs (milk & dark), Green & Black eggs (milk & dark), Chocolatier eggs (milk & dark), Chocolatier (3 rabbits boxed + 3 tiny eggs), Cadbury dairy milk eggs, Oxfam chocolates – large range of chocolate bars. There may be others – you can check out the labels before you buy.

Before you HOP out and buy eggs for your children this year, please STOP and THINK about buying slavery-free eggs. This is just one small way your family can look after children on the other side of the world who don’t have parents who can look after them.

ACRATH (Australian Catholic Religious Against Trafficking in Humans http://acrath.org.au/resources/slavery-free-easter-chocolate/)

Help!

One of our younger students has lost a a black timer (it looks like a digital watch). This item is used in the classroom and we need your help to find it. It may have been put in the wrong school bag. Could everyone please have a look at home (particularly parents of younger students) and in the side pockets of school bags to see if you can find the timer? Please return to the office if you find it.

Griffith Pre-Service Teachers Arriving Soon

St Brigid's has a strong tradition of class teachers acting as mentors for Pre-Service teachers honing their skills. This year is no different and we will be welcoming students from Griffith University into the following classrooms on Tuesday March 18th:

- 5A – Miss Healey
- 7B – Miss Cabrera
- 4A – Mr Theodore
- 4C – Miss Mathias

These Pre-Service teachers will be completing lead in days in coming weeks prior to their block placement in early May. I am sure our school community will make them feel very welcome as they work closely with the students in their classes under the guidance of the class teacher.

Tablet Tips for Year 4’s

- Transport your tablet in the neoprene sleeve supplied by the school. Put it in a zippered plastic satchel to avoid liquid spills.
- Charge your tablet fully when you get home. It will then be ready for school the next day.
- When placing your tablet in the tray in the morning stack it on its side as more tablets will stack safely this way.
- Avoid placing your tablet near the edges of desks & benches where they might be knocked off.
- Restart your tablet on arrival at school so it will pick up all necessary updates.

MR GUDGEON'S SPORTS REPORT

Interschool Sport Begins Friday 21st March.

Please refer to the Parent Portal each week for fixtures, venues, and draws.

Safety equipment is required for rugby league (mouth guards are compulsory, boots are recommended), hockey (mouth guards and shin pads are compulsory) and soccer (shin pads are compulsory). Students electing to play netball will need to cut/tape fingernails and remove/tape earrings. By providing consent for your child to play these sports you are agreeing to provide these items and/or abide by these regulations.

Rugby League training is held from 3pm -4pm on Monday afternoons at school.

Catholic School’s Swimming Carnival 2014

Congratulations to all of the students who competed in this years Catholic School's Swimming Carnival. You were great representatives for yourselves and your school.

A number of St Brigid's students were rewarded for their hard work with place ribbons. Its great when all your training and time spent staring at that black line beneath you pays off...

A special mention to Jacinta D who broke a long standing record for the second year running. She is now the fastest girls under 9’s backstroker in the history of the Catholic School's Carnivals. What a legend!!

Finally, I am very proud to announce St Brigid's winning the Lou Vaughan Memorial Swimming Trophy. This is for the school that earns the most points after being divided by the number of students at their school. This is a massive achievement for our students and School and has never been won by St Brigid's in the 25 years of competition. Congratulations St B's.
Visitors’ Register

The Visitors’ Register is located at Reception and all parents and visitors are required to sign in and out.

This is an essential document that keeps the school informed of all visitors and contractors who may be on site at any particular point in time.

Class News

Prep News

This week the children will be learning about the letter “Nn” and our number for the week is the number 7. Please discuss these with your child and perhaps help them to practise writing them the correct way.

This is the third week of Lent and the children are trying really hard to keep the promises that they have made. Please continue to send in one pair of plain coloured socks for your child to use in our upcoming craft activity.

We continue to learn about New Life and the life cycle of a butterfly and how they grow and change. This week the children are observing a real chrysalis in each room. Please talk to the children about this and see how much they can tell you about the growth and change of a caterpillar, as it turns into a butterfly.

We are integrating this topic to our Science curriculum, “Living things have basic needs”. We are observing the changes happening to our ‘hairy caterpillars’ and watching what happens as we look after it by giving it sunlight, air, water and food.

Year 1 News

Our first Religion Unit for Grade One is about ‘Prayer’. The focus is on showing reverence and respect when praying (hands together, being still), praying regularly, in different ways and through Mary to God. This unit compliments the Season of Lent as we prepare for Easter by (1) Prayer (2) Almsgiving or giving to the poor and (3) Fasting or giving something up. Children are encouraged to do a job at home to earn extra pocket money or to give up the opportunity to have a treat so they can put the money into Project Compassion. The focus of Lent is about changing to become a better person. We can do this by being helpful, getting along with others, doing things we don’t like without complaining or learning to manage ourselves better.

A reminder for all parents - Parent/Teacher meetings are being held for Grade One this term. Grade One Teachers look forward to ‘touching base’ with parents early in the year. Please check your meeting time and date if you haven’t already.

Year 2 News

Year Two have been learning about mixtures and what different mixtures are used for. The children have enjoyed sharing their mixtures that they have brought from home for “Show and Tell” time. Just a reminder that only the “Show and Tell” from the homework is permitted. Please leave other items for when a Free Choice option is given.

It was great to see such a great turn out of Year Two students on Wednesday for the Active School Travel Launch Breakfast. It was a wonderful healthy way to start the day and be ready for the day’s learning.

It has been great to see the increasing amount of “Nude” lunchboxes as this fits in with our 3 R’s focus this term. The children are seeing that this helps reduce the amount of rubbish in our world. It’s also been great to see lots
of healthy options in the children’s lunchboxes. This helps with the children’s learning and their ability to concentrate and make good behaviour choices.

Year 3 News

Well done to 3A who presented an insightful assembly on Monday. Thank you for sharing St Patrick’s story and his mission; to teach people about God. The children have quite enjoyed learning about St Patrick and his brave but interesting tale. We look forward to 3B’s assembly next Monday. They will share with us, the mission of a third and very influential and caring Christian, whose footsteps we try to follow each day.

The children (and teachers) have all made their Lenten promises. We hope that everyone is doing their best at carrying out those promises.

The end of term is fast approaching, which means our excursion to N’gtana Lui is not far away. Please return the permission slip, if you haven’t already.

Your child will soon bring home a note regarding Parent Teacher Interviews. These will take place in Term Two, Week Two.

When you receive this note, please nominate your preferred dates and times, then return to your child’s teacher as soon as possible.

Most children are doing a fantastic job at remembering their library books, homework and spelling each Tuesday. If your child is having some difficulty with organisation, please encourage them to pack their bag the night before. Or perhaps they could write themselves a little note and stick it in a place where they will look each morning, in order to remind themselves of what they need to remember.

Have a wonderful week!

Year 4 News

This week 4A will be welcoming a Third Year practicum student from Griffith University, Damien Theodore. Mr Theodore will be with our class for five Tuesdays, then a 4 week block from the 12th of May. Please make him welcome if you see him around. If you have any queries, please see Miss Bray.

This week, notes went home for our excursion to Ngutana Lui, a permission slip to watch the DVD ‘My Place’ and information regarding Parent teacher interviews. Please send these notes back to your class teacher ASAP.

We’ve had another busy week, as we have started our assessment pieces for the different subjects. In Mathematics we are focusing on subtraction strategies. In science we are starting to “wrap up” our experiments with the students soil samples and rock collections. Students have also started to create their own narrative of the Dreamtime, this also links in with our Aboriginal art display.
Year 4 teachers would like to congratulate all of our representatives for the Catholic Schools Swimming carnival. Our students were well mannered and supported all of the other St Brigid’s swimmers.

Just a reminder for all students, to please be mindful of what we say and do towards others. We are using unkind words and hurtful actions towards others. This is not only happening out in the playground but in the classrooms as well.

Looking forward to another great week!

Year 5 News

This week sees the arrival of Griffith University student, Rebecca Healy, in Year 5A. Rebecca will be with us for a number of Tuesdays as lead in days and will then do a four week practicum block in Year 5A.

Interschool sport commences this Friday so please make sure your children have the correct equipment to allow them to participate in their chosen sport. There are different requirements for each sport and your child will have received a copy of the equipment they require. An essential item for all students is a water bottle especially in this very hot weather at the moment. In a few weeks the Year 5 classes will be attending St Michael’s as an introduction to High School. This will occur on the last Wednesday of this term. An important piece of assessment being conducted at the moment is your child's history Timeline assignment. Your child is able to complete some research for this assignment at home BUT MUST SAVE ANY WORK ON THEIR USB so that it can be worked on at school. Those students who do not have a USB are required to get one, as outlined in the Year 5 Booklist and Resource list that you all received at the end of last year.

Year 6 News

This week in Year 6 has been a hive of activity with the completion of the students’ migrant interview findings and a motivational poster of what Jesus' New Law means to them in today’s world. We are seeing some outstanding work with all students working hard. We are now on the countdown to our St Brigid’s Reader’s Cup tournament where they will be competing against the Year 7 students. Many of the students have read at least two books and are showing potential in our in-class practice quizzes. It is great to see such a love of reading.

On the 7th of March, five of our Year 6 students joined five Year 7 students at St Kevin’s to represent our school at the leader’s launch of Project Compassion. They have come back with many good ideas which they will be sharing with the rest of the school. Miss Petherick gave us very positive feedback on the students conduct displayed on the day. Thank you to Bonnie, Patrick, Jasmine, Amber and Andrew; you made us proud!

Parent Portal Access

We are currently working with BCE to rectify any issues with logging onto the Parent Portal. Please contact the office if you have recently changed your email address or if you have any problems. Thank you for your patience.

Change of Details

If you have recently changed your phone number, email address, residential or postal address, please contact the office by telephone or email at [pnerang@bne.catholic.edu.au](mailto:pnerang@bne.catholic.edu.au) to advise us of these changes.
Up to date information for each student is extremely important in case we need to contact you for any reason.

**Direct Debit Request Forms**

If you would like to arrange to pay your school fees via direct debit from either a bank account or credit card, a direct debit form can be obtained from the office or accessed through the Parent Portal.

**Student Banking - Every Wednesday**

A new rewards system has been introduced for Student Banking in 2014. Please come into the office if your child did not receive an information package.

Please note that school banking deposits should contain cash only, no cheques please.

**Administration of Medication**

At times medication needs to be administered to a child at school ie, antibiotics, ear drops etc. If you need us to administer medication to your child during school hours, you must complete the attached [Student Medication Request form](#).

- Medication is to be provided in the original pharmacy labelled container/box to the school.
- Please ensure medication is not out of date and has an original pharmacy label stating the student's name, dosage and time to be taken.
- The student needs to have previously received a dose at home without any ill effects.
- The medication must be collected when it is no longer required at school.
A new form must be completed if the student is prescribed a change.

NB: Where possible, medication should be administered to your child at home at times other than during school hours.
