FROM THE PRINCIPAL

Hello to all in the St Brigid’s community.

Term 2, Week 6

This Sunday is the Ascension of the Lord

The proverbial line is drawn in the sand this Sunday. Before the Ascension Jesus is still physically present to the disciples, albeit in a different way post the resurrection. After the Ascension the mission of Jesus is to be continued by the disciples without Jesus being physically present. The readings this week reflect this symbolic ‘line in the sand. The Gospel is the last verse in Matthew’s Gospel while the First Reading is the opening verse from The Acts of the Apostles. A delightful image of the end of one story and the start of another.

The Ascension is the pivotal event in the start of the church. In Matthew’s Gospel Jesus instructs his followers to ‘Go, therefore, make disciples of all nations; baptise them in the name of the Father, Son and Holy Spirit and teach them to observe all the commands I gave you. And know that I am with you always; yes, to the end of time.’ The mission is clear. Next week at Pentecost the means to implementing the mission is made available to the disciples; in the gift of the Holy Spirit.

This week ponder the question that I’m sure the disciples pondered over the next week; How can I help spread the message that Jesus brought to humanity?

What’s on over the coming week?

NATIONAL RECONCILIATION WEEK (NRW) - 27 May – 3 June 2014 - is a time to build better relationships between Aboriginal and Torres Strait Islander peoples and other Australians. It’s a week that brings people together, to celebrate our diversity and acknowledge the enormous contributions that Australia’s First Peoples have made to shape our nation.

Check out the NATIONAL RECONCILIATION WEEK (NRW) website at http://www.reconciliation.org.au/nrw/

On Monday the Year 7 classes enjoyed a Waterwise science lesson presented by Gold Coast City Council.

Under 8s Activity Day including Peter Combe Concert will be held on this Wednesday.

The Gold Coast Catholic Primary Schools Year 6 Student Leadership Liturgy will be held at Assisi College on Wednesday commencing at 9:30 am.

St Brigid’s will host the Gold Coast Catholic Primary Schools Cross Country Carnival on this Thursday.

Assembly prayer this week was lead by Year 1B whilst 1C will lead next week’s.
The monthly School Pastoral Board meeting will be held next Wednesday June 4th.

This Saturday St Brigid’s will have a stall at the Big Family Funanza to be held at the Country Paradise Parklands between 10 am and 4 pm. If you are there drop in and say ‘g’day’ to our staff and friends. See the brochure below for details of the attractions and activities on offer at the Big Family Funanza.

**SWPBS**

This week we will be expanding on Rule #1: Respect for Others by focussing how students transition around the school, particularly on stairs and pathways. When a large number of students is in transit around the school it is important for all to display patience, tolerance and courtesy. Here are a few tips; try waiting if you are going against the traffic flow, don’t block paths or stairs with your belongings or yourself, keep to the left and use the paths and steps where they are provided to minimise wear and tear on the grass and gardens.

**CHILDREN MORE ACTIVE OUTDOORS**

A recent study conducted by researchers from the University of Bristol in the United Kingdom showed that children who spent more time involved in exercise outdoors decreased their risk for obesity and other weight-related health issues.

Findings showed that children who spent more time outdoors were more likely to be physically active when compared to those who spent more time indoors. Building stronger neighbourhood community links between parents and children could restore the social norm of children playing outdoors and relieve concerns parents may have about safety.

Published in the *International Journal of Behavioural Nutrition and Physical Activity*.

**Active School Travel**

Thanks to all those who supported last Friday’s National Walk Safely to School Day (NWSSD) by either making an effort to walk at least part of the way to school and/or joining in our Crazy Sock Day in recognition of NWSSD.

**Parish News**

From 24th April to 30th May there will be no daily Mass at St Brigid’s as Fr Rafal will be away on Pilgrimage to Rome and Poland.

**menALIVE weekend at St Brigid’s Nerang**
menALIVE is a National Catholic Ministry for men. In 10 years it has run 175 events in 24 dioceses for more than 11,000 men. On the 8th and 9th November 2014 St Brigid’s Parish will host a non-live in weekend program. The weekend provides a fantastic down-to-earth opportunity to take time out to reflect on our lives and re-discover God’s purpose. It will consist of a number of talks and stories, discussion groups, and a time for reflection, prayer and recreation. The weekend runs from 8.00am on Saturday and finishes at 9.30 pm Saturday. It will start again on Sunday at 8.30am and finish about 1.30pm. It is non-residential; you go home and sleep in your own bed.

The cost will be affordable and will include all the weekend input, handouts and a barbeque dinner on Saturday night.

Registration is essential and a form is available to download at our website www.menalive.org.au or phone 07 5559 5554 or 0417 004 733.

Please click [here](http://www.menalive.org.au) to access this week's Parish Newsletter.

**Federation of Parents and Friends’ Associations Queensland news**

The Parents and Friends Federation is the state-wide parent organisation officially recognised by the Catholic Church and Catholic Education authorities for the 292 Catholic schools in Queensland. It represents the parents and carers of over 135,000 children in parish, diocesan and religious institute schools in the state.

It contains numerous articles of interest to parents of children in Catholic schools.

**Uniform reminder - sandshoes**

Please be aware that our school uniform policy states that sandshoes should be black. Please don’t send children to school in pink, green or other colours as it causes embarrassment to the children when they are reprimanded.

When I was buying sandshoes for my children I found that the brand with the big swish was significantly more expensive that the generic black school shoe and with the rate that children’s feet grow didn’t represent value for money. If you can only afford one pair of sandshoes I suggest you purchase the generic all black school shoe as it is cheaper and conforms to our uniform policy rather than the coloured shoe with the big swish which is more expensive and may result in your children receiving a detention for repeated uniform infringements.

**APRE NEWS**
This week our year 6 student leaders will join 800 others from Gold Coast Catholic schools to celebrate a liturgy and then participate in a series of activities designed to help them think about their role as leaders in our school. The Executive Director of Brisbane Catholic Education, Ms Pam Betts, will also address the students. Pam is leading by example. She is going to represent our system in the CEO Sleep-out. This initiative raises money for St Vincent de Paul to use to support the homeless who are facing another cold winter.

APA NEWS

Year 6 Trip Information

Pam from ‘Educatours Australia’ gave a great presentation to the parents who attended the recent Year 6 Trip information meeting. The trip itinerary looks action packed which should provide the students with many memorable experiences. Notes from the information evening are available on the Parent portal for those parents who were unable to attend.

The first and second camp payments due dates have now passed. Thank you to those families who have provided this payment. Your prompt attention to this matter is appreciated.

ICAS – Science Assessment

Sixteen students have nominated to take part in the UNSW ICAS Science Assessment on Wednesday June 4th. Students will be supervised by me in the staffroom from 9.30am on this day. We wish all students well who are participating in this assessment. Results are received later in the school year and will be passed on to the relevant families.

Catholic Schools Cross Country Carnival

St Brigid’s will host the Gold Coast Catholic Schools Cross Country Carnival on our oval and surrounds on Thursday May 29th. This will involve students representing 9 of the Gold Coast’s Catholic primary schools. As a result our ovals will be closed to non-participating students on the day enabling parking and the event to be run. We wish our St Brigid’s squad every success as they take on the other Catholic primary competitors.

Watch for the surprises in life!

‘Our ability to be surprised

Is the measure of our aliveness.

If we are numb, if we take things for granted,

then we have no life in us.

Living life open to surprise

Makes us even more alive.’

GUIDANCE COUNSELLOR NEWS

Nurture Your Child’s Thinking Skills

Take advantage of your role modelling position and take an active interest in your child’s learning and in the activities, such as reading and questioning, that foster learning.

Parenting educator Michael Grose has identified several ways you nurture your child’s thinking life in the pre-primary and primary years. Please click here to download the tip sheet.

Please do not hesitate to contact me, the class teacher or other school personnel if you are concerned about the social or emotional well-being of your child.

Weekly quote: “If there is anything we wish to change in the child, we should first examine it and see whether it is not something that could be better changed in ourselves.” - C.G. Jung

MUSIC NOTES

Singing Club

Thank you to members of the Singing Club who performed for the school community at assembly last week. I hope parents and friends that were able to attend enjoyed the performance of "I'd Like To Teach The World To Sing", "Isle Of Samurai" and "My Grandfather's Clock". I was extremely proud of the children. A thank you also to Mariko Sensei for accompanying us on piano.

Gold Coast Choir - Singers Wanted

The Gold Coast Choir is expanding and seeking young singers (from Prep onwards) to join them.
To find out more information about the choir and this wonderful opportunity, please go to the website: www.goldcoastchoir.com.au

Wanted

Plastic bottle top lids - any size. Please wash and send with your child to the music room.

Guitar and Strings Program Update

Lessons for new students have commenced this year for students interested in guitar and strings. The teacher Stuart Humphrey is a graduate of the Queensland Conservatorium (Bach of Music Hons) and was specifically trained for Guitar and Strings.

There are still some spaces available, so if any students are interested please fill in a form from the front office. The current guitar and string students are working towards an assembly performance at the end of this term, which should be exciting for everyone.

HEALTHY LUNCHBOX IDEAS

Dried Fruit

Many people think they are doing something really great for their children by giving them dried fruit such as sultanas and apricots to snack on rather than salty, sugar-filled snacks. Unfortunately, a lot of them contain preservative, which aids in the drying process.

Always look at the back of the label for sultanas and raisins. There are a few without preservatives and a few with. Dried apricots must be air dried. So if they are plump and bright orange, they will contain preservatives. Air dried apricots are brown and a bit leathery, but still deliciously tangy and healthy. You can find them in the organic section of the supermarket.

Why not add some sultanas to this yummy Strawberry yoghurt muffin recipe by Brenda Janschek? http://brendajanschek.com/recipes-nutrition/strawberry-yoghurt-muffins/

CLASS NEWS

Prep News
The letter for this week is Rr and we are continuing to look at 2D shapes, with our focus being on ovals. We are also looking at a new class reader with the sight words here, and is. Please try to revise the readers with your child when we send them home, as they are becoming very proud of their “Early Reading” achievements.

Thank you to the parents who have already helped their child to compose a meaningful prayer, illustrated with a brightly coloured picture. We are going to use these to collate and publish a class Prayer book. Please return these by this Friday, 30 May.

Thank you to all who supported the “Park and Ride” day last Friday. It was great to see so many children in their crazy socks!

All the Preppies who went to the disco had great fun.

Year 1 News

Grade One is looking forward to Under 8’s Day on Wednesday. We love the hands-on activities that come with being young learners. In Science we are experimenting and predicting in our unit “Spot the Difference”. This unit is about ‘Chemical Science’ which looks at how things change, such as when corn is heated it becomes popcorn. We love cooking at school but it is nowhere as much fun as cooking at home because you don’t get to lick the spoon. So if you are cooking with your child make sure you note the changes that happen such as melting butter, wet and dry ingredients and notice what happens when ingredients are mixed together.

Grade One’s have also been busy preparing for leading Assembly each week. When the children were told they were doing assembly on Monday one child commented, “Next Monday! In Prep we practiced for a whole week.” The children do a very good job on Assembly especially when you consider some had to take on extra jobs or reading parts as other students may be away on the day.

Year 2 News

Last Friday was National Walk to school day. At St. Brigid’s it was Park and Stride and Crazy Sock Day. We noticed an increase in the number of students who walked to school. Each Year 2 class selected a winner for the craziest socks, either by drawing names from a hat or tallying a class vote. They were given a TravelSmart backpack, which was full of useful items.
At the Disco on Friday we had many Year 2 students lighting up the dance floor in their crazy colours. A fun night was had by all who were able to attend. We'd like to thank the P&F association for organising the exciting night, which had hip tunes by DJ Troy and delicious sausages and poppers that gave everyone some extra energy for singing and dancing!

This week is National Reconciliation Week. It ‘celebrates and builds on the respectful relationships shared by Aboriginal and Torres Strait Islander peoples and other Australians.’ St. Brigid’s will celebrate NAIDOC Day later in Term 3.

Congratulations to all Year 2 students who have memorised their address and contact phone number. Currently for Show and Share they are showing photos and mementos that give some insight into their personal history. They are talking about people, times and events from their past, that are important to them.

We look forward to Under Eights Day this Wednesday! Hope to see some of you there!

Enjoy your week.

Year 3 News

Welcome to week 6. The children are continuing to work well and are enjoying learning about different cultures and different communities. The children have also been learning about the Sacraments of Initiation and have been quite interested and wanting to share their stories.

Well done to those children who are able to participate in Active School Travel. The children particularly enjoyed the Crazy Sock Day on Friday. We have some comments from the children about the day.

“My socks look like clown socks and I won the prize.” Poppy 3A

“Crazy Sock Day was fun and I won the prize “Zach K 3B

“My teacher did a draw and my name was pulled out and I won the prize.” Taylah 3C
We have attached a photo of our lucky winners!

The children all got into the spirit of the day so thank you for your support.

We are looking forward to Peter Combe on Wednesday and will share our comments next newsletter.

We wish you a fantastic week!

Year 4 News

This week year 4 have continued to write different stories for Nim’s Island. We have been enjoying using our tablets in a few new ways. In Science we have been looking at the different parts of fruits and we have continued working on our tasks about different environments in Geography. In History we have now moved on to looking at Captain Cook and his expeditions.

We loved wearing our 'crazy' socks on Friday. Best of luck to all of our athletes participating in the Catholic Cross Country Carnival on Thursday.

Year 5 News
The new topic we are commencing in History is the 'contribution of significant people in the development of British Colonies' with a particular focus on the Colonisation of Australia. As a Year level we will be looking at the contribution that Saint Mary of the Cross MacKillop played in the development of the Australian colony through her work with the poor and the Indigenous community members of our country. We will also be looking briefly at Ned Kelly and comparing the travels of him and Mary MacKillop throughout Australia at that time. This History Unit also flows over into Religious Education where we have to look at the impact of individuals in the Development of our Christian faith within a community of believers.

Report Cards will be distributed with your child's portfolio in the next few weeks and this will be a reflection of what was spoken about in the Parent/Teacher Interviews a few weeks ago. Finally, a big congratulations to the Year 5 Interschool Sport Teams who are competing very well each Friday.

Year 6 News

Many thanks to all those parents who were able to come to the Canberra Trip Information Night last Tuesday. Pam from Educatours was our guest speaker and while she was outlining the itinerary, we were given an idea of what a valuable and memorable experience this will be for those attending. Miss Singleton still speaks fondly of her Year 7 Canberra Trip! If you have not received the information packs, they are available to download on the Parent Portal.

In class the students have been looking at the origins and meaning of "The Lord's Prayer", investigating earthquakes and their causes, designing shelters for nomadic tribes and are close to finishing their biography reports on their Aussie legends. After all that hard work it was good to see so many "getting their groove on" at the school disco!

Year 7 News

Year 7s are very pleased to be finished their last NAPLAN at primary school. They approached the testing in a mature way and completed the many tasks to the best of their ability. We have also had many students representing the school as part of the Cross Country Teams and will do so again this week. Their behaviour and participation were a fantastic example for the younger members of the team. We are currently working on fractions/decimals/percentages in maths, writing narratives in English and looking at life in Jesus' time to help us understand the Gospels.

OFFICE NEWS

Sunken Treasure for Schools

There will be a separate draw of $1,000 cash for a school in each State/Territory of Australia.

Here’s How to Win...

All you need to do is make three or more deposits through School Banking during Term 2 and you are automatically entered into the competition.

Administration of Medication
At times medication needs to be administered to a child at school ie, antibiotics, ear drops etc. If you need us to administer medication to your child during school hours, you must complete the attached Student Medication Request form.

- Medication is to be provided in the original pharmacy labelled container/box to the school.
- Please ensure medication is not out of date and has an original pharmacy label stating the student’s name, dosage and time to be taken.
- The student needs to have previously received a dose at home without any ill effects.
- The medication must be collected when it is no longer required at school.
- A new form must be completed if the student is prescribed a change.

NB: Where possible, medication should be administered to your child at home at times other than during school hours.
