Hello to all in the St Brigid’s community.

Term 2, Week 9

This Sunday is the Feast of the Most Holy Body and Blood of Christ. In earlier times it was known by its Latin title, Corpus Christi. All three readings this week, not surprisingly, contain references and images to bread and meals. In the First Reading Moses reminds the Israelites that God fed them with bread from heaven while they were wandering the desert after escaping from slavery in Egypt. In the short Second Reading St. Paul sums up our Faith that the bread and wine we share is a communion with the body and blood of Christ. In John’s Gospel Jesus declares that he is the ‘living bread which has come down from heaven’ and goes on to declare that this new bread is ‘not like the bread our ancestors ate; they are dead, but anyone who eats this bread will live forever.’

This week’s feast teaches us that it is impossible to be a Christian when separated from other Christians. As St Paul wrote ‘The fact that there is only one loaf means that, though there are many of us, we form a single body because we all have a share in this one loaf.’ Our communion in the Body and Blood of Christ makes the church the Body of Christ.

This weekend why not join with fellow Christians and share in this Communion in the Body and Blood of Christ at your local Christian Community gathering?

What’s on over the coming week

The Junior School Athletics Carnival (Prep-2) will be held on this Wednesday June 18th.

I will be attending the annual Gold Coast Adopt-a-Cop school principal meeting on this Wednesday at Nerang PCYC.

Year 6 and Year 7 will celebrate Reconciliation on this Thursday commencing at 11:30 am.

The St Brigid’s guitar students will perform at morning assembly on Friday June 20th.

The Monthly Parents and Friends’ Association meeting set down for this Wednesday has been cancelled due to State of Origin II.

The St Brigid’s Active School Travel Bike and Scoot Day with breakfast will be held on Tuesday June 24th.

The St Brigid’s Athletics Carnival for 8-13 year olds will be conducted on Wednesday June 25th.
Our Years 6/7 Leadership handover ceremony will be held on Thursday June 26th from 9:15am.

Assembly prayer this week was led by Prep A whilst Prep B will lead next week’s.

**SWPBS**

This week we will be expanding on Rule #3: Respect for Property by focusing on doing the right thing during eating time. At school we can eat in classrooms, on verandas outside classrooms, outside the MPA or other dedicated areas. With the bins provided there should be no signs left behind to indicate that children were eating here. We are all in this together sums up that it is everyone’s responsibility as the current custodians to keep our classroom, school, neighbourhood, city, country and planet clean and tidy and in a fit state for those who come after us.

**How to raise caring children**

What does it take to raise a compassionate, moral child? Researchers have found that, worldwide, this is parents’ number one priority – instilling caring is more important to them than their children’s achievement. But how much difference can parents make? Are some children born good-natured and others mean-spirited? Studies of twins suggest that up to half of people’s propensity to be kind is inherited – which means that parents and the environment account for the rest.

**Suggestions**

*Praise is more effective than rewards.* If we want to reinforce caring, rewards run the risk of leading children to be kind only when a carrot is offered, where as praise communicates that sharing is intrinsically worthwhile for its own sake. Praise character, not actions. Say “You’re a very nice and helpful person”, which helps children internalise being helpful as part of their identity.

*Nouns work better than verbs* It’s better to encourage a child to “be a helper” than “to help”, and it’s better to say, “Please don’t be a fibber” than “Please don’t fib”. When our actions become a reflection of our character, we tend to choose the moral. In time it becomes part of us.

*With bad behaviour, evoke guilt, not shame.* Shame is the feeling that I am a bad person, where as guilt is the feeling that I have done a bad thing. Shame makes children feel small and worthless, and they respond either by lashing out at the target or escaping the situation altogether. When parents get angry and seem to withdraw their love, children feel shame and believe they’re bad people.

In contrast, guilt is a negative judgment about an action, which can be repaired by good behaviour. When children feel guilt, they tend to experience remorse and regret, empathise with the person they have harmed, and try to make it right.

*Say you’re disappointed.* Expressing disappointment, explaining why the behaviour was wrong, how it affected others, and how they can rectify the situation, enables children to develop standards for judging their actions and feelings of empathy and responsibility for others, which are conducive to becoming a helpful person.
Expressing disappointment communicates disapproval of the bad behaviour, coupled with high expectations and the potential for improvement: “You’re a good person, even if you did a bad thing, and I know you can do better.”

*Model caring and generous behaviour* Children pay more attention to what adults do than what they preach. Children learn generosity not by listening to what their role models say, but by observing what they do.

**Parish News**

On Sunday 22nd June St Brigid’s parish will hold their annual fundraising event for their friends in Ratnapura – Sri Lanka. Bishop Cletus C. Perera, who visited some time ago, is working in very difficult conditions running many charitable organisations across his poverty-stricken Diocese. The Parish promised to remember and to help him and on Sunday 22nd June after 8.30am Mass they will have an opportunity to do so. There will be a sausage sizzle and cake stall. Please help by providing cakes for sale. Please reserve some time after Mass to stay and enjoy the opportunity to get together with other parishioners. All profit will be donated for charitable works in Ratnapura Diocese.

**menALIVE weekend at St Brigid’s Nerang**

menALIVE is a National Catholic Ministry for men. In 10 years it has run 175 events in 24 diocese for more than 11,000 men. On the 8th and 9th November 2014 St Brigid’s Parish will host a non-live in weekend program.

The weekend provides a fantastic down-to-earth opportunity to take time out to reflect on our lives and re-discover God’s purpose. It will consist of a number of talks and stories, discussion groups, and a time for reflection, prayer and recreation. The weekend runs from 8.00am on Saturday and finishes at 9.30pm Saturday. It will start again on Sunday at 8.30am and finish about 1.30pm. It is non-residential, you go home and sleep in your own bed. The cost will be affordable and will include all the weekend input, handouts and a barbeque dinner on Saturday night. Registration is essential and a form is available to download at our web-site www.menalive.org.au or phone 07 5559 5554 or 0417 004 733.

APRE NEWS

This week the Year 6 and 7 children who have received the sacrament of reconciliation will gather together with Father Rafal for a short reconciliation service, with the opportunity to participate in the first, individual rite of reconciliation. The liturgy is a chance for some quiet, guided reflection on life and relationships. The timing is perfect, as next week the Year 6 and 7 students are all leading the school as we officially welcome the Year 6 students as student leaders. They will receive their leadership badges during the short ceremony, beginning at 9.15am in our church. Parents are welcome to attend.

Semester One Reports

The Semester One student reporting process is well underway and on track. Parents will receive student reports in the final week of this term. The information contained in each report should come as no surprise to parents after participating in the recent Parent – Teacher Interviews. I encourage parents who require clarification on aspects of their student’s reports to make an appointment with either the class teacher or specialist concerned.

Visible Learning

St Brigid’s have embarked on a professional learning journey for teachers which will improve the learning outcomes for all students. Visible Learning is a professional development program for teachers that explore how evidence can be used to create innovation in the learning environment. In coming weeks you will be hearing more about how we can encourage students to become Visible Learners. Two important components to be embraced by students that parents can encourage at home include:

- Asking questions and actively seeking feedback to improve learning.

GUIDANCE COUNSELLOR NEWS

Why Praise Can Be A Double-Edged Sword

The way we praise our children, even from a very early age, can have a lasting impact. When done effectively, it can really promote resilience. We all want our children to do well and one of the best ways we can help is to promote a growth mindset so they become more positive in their outlook as to their own capabilities, broaden their perspective of the world and elevate their resourcefulness. Dr. Jenny Brockis is a brain health specialist, and she has provides some tips for encouraging a growth mindset. Please click here to download the tip sheet.

Please do not hesitate to contact me, the class teacher or other school personnel if you are concerned about the social or emotional well-being of your child.

After lots of reading and preparation we went to Hillcrest College on Wednesday June 11 to compete in the Gold Coast Region Reader's Cup competition. Our team was Lauren M, Annika J, Megan T and Bonnie R. We were nervous at the start but after a while we calmed down and realised that we actually remembered lots of what we had read.

The night had a really good vibe and even the audience got involved with audience participation questions. There was even food and drinks available for everyone to enjoy. After a close competition we finished 6th but only 4 1/2 points from 1st position. We really enjoyed the experience and were proud to represent our school. A special thanks to Mrs Knowles, Mrs Daley and Mrs Taylor for helping us to prepare. Now we are looking forward to the Catholic Schools Reader's Cup in Term 4.
Long Service Leave

Mrs Christine Taylor will be my replacement teacher whilst I am on long service leave for the remainder of the term.

Thank you

Thank you to the Davis and Sutherland families (Jonty and Jonty yr 7) for the generous donation of an acoustic guitar earlier this term/year.

Thank you to all families that sent in bottle top lids. If you have some that you have been saving, I will still accept them, otherwise, now I have plenty. Students have begun using them as props in music to create sounds and develop fine motor skills.

Singing Club

We will continue to rehearse until the holidays in preparation for singing at the Year 6/7 Leadership Badge Ceremony on Thursday 26th June.

We welcome Mariko Sensai to Singing Club; she has been accompanying the singing on piano. Our new song this term has been "Let It Go" from the Disney animation Frozen.

Junior Athletics Carnival (Prep - 2) ------- 18th June 2014
It's that time of year for our children to have some fun with their annual junior athletics carnival. The children have enjoyed their weekly physical activity lessons leading up to their special day. All students have learnt many skills that they are looking forward to displaying in the days activities.

The Junior Athletics Carnival will be held at St Brigid’s on

**Wednesday 18th June**

The day will begin at 8:55am following morning roll call in classrooms. Activities that children will be participating in include; sprints, long jump, high jump, relays, and ball games. Medallions for male and female sprinting grade champions will be given out following the carnival. Approximate sprint times are as follows.

- 9:30am – Preps
- 10:35am - Year 2
- 11:40am – Year 1

Students are required to bring recess and lunch on the day as well as enough water to keep them hydrated. In the case of wet weather the carnival will be rescheduled for next term.

Children will be required to bring with them:

- Water
- School Uniform with house coloured t-shirt
- School hat
- Food for break times

**Senior Athletics Carnival (8 - 13yrs) ------ 25th June 2014**

St Brigid’s annual Senior Athletics Carnival will take place Wednesday 25th June 2014

All Children turning 8-13, this year, will be participating.

Events held at the carnival include: 80m sprint heats and finals for 8 and 9 year olds; 100m sprint heats and finals for 10 to 13 year olds; 200m sprint finals; long jump; high jump finals; shot put; ball games and novelty events.

Parents:

Please ensure that your children have the appropriate equipment for this competition. They will require proper footwear, water bottle, hat, sunscreen, and appropriate food to maintain their energy throughout the day. We encourage students to wear their house colours to create and support team spirit.

Sprints:

- Races will be run in order from 8 years to 13 years. (i.e. 8yrs females, 8yrs males, 9 yrs females…etc.)
8 & 9 years students run 80m & 10 to 13 years students run 100m. The first two in each heat go through to the final. The first two placegetters in the final of each sprint event will represent St Brigid’s at the Catholic Schools Carnival. Further, the first two from 10-13yrs will represent St Brigid’s at the South Coast District Carnival.

200m Heats will be held on Thursday 6th June during break times. The 800m Finals will be held on Friday 7th June during break times. Students will be reminded at morning assembly.

Field Events:

- The first two place getters for 8 and 9yrs in shot put, high jump, and long jump events will go through to the Catholic Carnival.
- The first two place getters for 10 to 13yrs in shot put, high jump, and long jump events will go through to the District and Catholic Carnivals.
- Heats for the High Jump have been held in class time and a list of finalist is outside Mr Gudgeon’s office.

Awards:

- The first four place getters will receive a place ribbon at the completion of each event and have their name recorded for house points.
- Age champion points are: 1st - 10 points, 2nd – 7 points, 3rd – 5 points, 4th – 3 points. (Points are accumulated from the three sprint events and three field events).

In the case of inclement weather please check the schools website for updates/cancellations. www.sb.qld.edu.au

*We invite all parents to join us in supporting their children on this great day.*

Visitors' Register

The Visitors' Register is located at Reception and all parents and visitors are required to sign in and out.

This is an essential document that keeps the school informed of all visitors and contractors who may be on site at any particular point in time.

No Animals on School Grounds

As a general rule we discourage animals being brought onto the school grounds at drop off and pick up times; excluding those individuals requiring an animal as a disability aid.

We have a considerable number of students who have allergies in our school. Some of these students can become quite unwell should they come into contact with specific animals.

Should you wish to bring in an animal to the classroom for a specific purpose please liaise closely with the classroom teacher who has a good understanding of students’ medical alerts to ensure the safety of all.

Thank you.

HEALTHY LUNCHBOX IDEAS

Party Snacks
Planning a birthday party soon? Would you prefer your small guests to be in control and calmer than they normally are at parties? There are a lot of things going on for your little ones at birthday parties. They are excited, they are playing with their friends, they might be going somewhere new and usually the food is highly processed, full of sugar and bright colours.

It’s a special occasion right? Of course they should be able to have party food every now and then. But, if you’d like to limit the amount of nasties that are consumed there are some simple alternatives you can choose.

Chips – Instead of flavoured chips that are full of MSG, go for the plain sea salt ones.

Crackers and biscuits – Plain rice crackers and Scotch Fingers.

Lollies and chocolate – White marshmallows, Maltesers and Natural Confectionery lollies.

If you would like to have a colourful cake with natural colour and decorations, try these products from Cut Out the Crap http://www.cutoutthecrap.com.au/store/

Prep News

This week we are learning about the letter “Dd”. Please discuss with your child things that start with the letter of the week.

In Religion we are still looking at Pentecost and the “Fruits of the Holy Spirit”. This is being integrated with having respect for each other by showing peace, love, kindness, self-control, faithfulness, goodness, patience, gentleness and joy.

Please look for the History notes that we sent home attached to the booklet “Grow and Change”. We have completed the last page and we would like you to help your child to fill in the other stages of their history. Don’t forget to write what the picture is telling us. Return it to school so that your child can then present it to their classmates.

Wednesday 18 June is the Junior Athletic Carnival. Make sure your child had a water bottle, hat and food for the day. You are all most welcome to come and encourage your child in all the activities.

Thanks to all the Prep A family who attended the Whole School Assembly on Monday. Next Monday Prep B will be presenting the Assembly.

Year 1 News

In Term One our focus in Grade One was on “Gabby Get Along”. “Gabby Get Along” was about establishing good work habits and getting along with others. At the beginning of this term we considered “Ricky Resilience” by reading stories and discussing how we can be resilient and “bounce back” when things don’t go to plan. We are now reviewing “Connie Confidence”.

The “You Can Do It” programs states that, ‘confident young children are not afraid to make mistakes when learning something new’. They believe that they will be successful if they try hard. They only ask for their teacher’s help when they have tried their very best.

Confident young children are not afraid to meet new classmates. They expect to be liked and make friends. And when someone wants them to do something they don’t want to do, confident young children make themselves big and tall and speak in a voice that everyone can hear but is not too loud.’ (From “You Can Do It” Manual)
The Grade One excursion to the Train Museum in Ipswich was a huge success on Friday. Thanks to Mrs. Franks for organizing the excursion and to all the parents who took a small group of children around for the day. The bus trip up was exciting with only a few asking "Are we there yet?". The museum offered a variety of engaging hands-on activities that covered a number of curriculum areas, in particular Science and History. The children were busy all day looking at model train sets, past train travel, playground, old machinery, brain teasers, colouring, interactive screen games, trains to go on and drive. It was truly a fun-filled day that offered a lot. A number of potential careers may have been discovered on Friday - mechanic, engineer, hospitality, construction, conductor, train driver and many, many more.

Year 3 News

Welcome to Week 9. Last week was a very short week but a busy one at that. The children have worked very hard this term and we are very proud of their efforts.

You should have received a note last week about our Cultural Food Day next week. Please see your child’s teacher if you did not receive a note.

Your child will bring home their portfolio next week with their report. These will come home on Wednesday June 25th.

We would like to share some comments from the children about Week 8.

“The best part of this week was Maths groups because we got to do division with lollipops and afterwards we got to eat them.” Kendall. 3A

“The best part of the week was trying out for relays for the sports carnival.” Daniel 3B
“The best part of the week was playing basketball with Jared.” Brock 3C

Thank you for your support with homework this term. There will be no homework in Week 10. This will be the last week for homework till next term.

Have a wonderful week!

Year 4 News

This week Year 4 have been working on a Maths Investigation. We have been making secret codes, treasure chests and flags.

We have also been investigating the best conditions which plants grow.

Year 4 is also starting their oral presentations.

Year 5 News

Last week saw the students complete a PowerPoint for History on a significant event in Australia’s history and from these PowerPoints they were required to perform oral presentations to the rest of the class. The students were asked to select a topic out of:

- The Australian Gold Rush
- The Eureka Stockade
- The Advent of the Rail System

We have also been looking at the role that a significant individual played in shaping the development of Australia’s colonies. We have chosen to look at Saint Mary of the Cross MacKillop as this also crosses over into our Religion curriculum which is looking at ‘How the actions of individuals influences the development of faith within a community’. We continued developing ‘comic strips’ in English and we are looking at scale, keys, legends and location on maps and plans in Mathematics.

Year 6 News

The Year 6 students have worked hard to finish off our mural for the Glasgow Commonwealth games. The mural will be hung at the closing ceremony in Scotland to show how excited the Gold Coast is to host the Commonwealth games in 2018.

In library last Thursday our Biography Cup Teams battled it out in the final competition, it was a close finish with Will, Sam, Hannah and Tamara coming in first for 6A and Connor, Bonnie and Tayah winning in 6B. Well done to all of the students for the hard work in library this term.
Finally, thank you Megan and Bonnie for competing in the Regional Reader’s Cup Competition at Hillcrest Christian College last Wednesday night. The combined Year 6/7 team came 6th out of 27 other schools in our region. Well Done Girls!

**Year 7 News**

Last week we said goodbye to Mrs Aileen Cabrera, a student from Griffith University who has been sharing our class for the last 4 weeks. We very much enjoyed learning with her and especially when it involved food!

As the term draws to a close we are completing assessment pieces that will reflect the information contained in our reports that can be expected home soon.

Please keep an eye out for a permission note for a local area walk where we will be investigating the geography and history of our local area with a view to comparing it to that of Hobart. This will take place on the first Wednesday of Term 3 so we would like the notes back before the end of this term.

**OFFICE NEWS**

**Emailing of Fee Statements**

From Term 3 onwards, all fee statements will be emailed to parents.
To ensure that you receive correspondence from us and that we are able to contact you in an emergency, please ensure that all of your contact information is up to date.

**Late Arrivals & Early Departures**

If your child will not arrive in their classroom prior to 9am, you must obtain a "pink" Late Arrival Slip from the office.

Please also visit the office to obtain a "green" Early Departures Slip if you will be collecting your child before the end of the school day.

**Correct Money for Cash Payments**

Please note that when making cash payments at the office for school fees or other activities, we do require parents to bring in the correct amount of cash. Unfortunately the office is not able to provide any change.

**Student Banking**

Student banking is every **Wednesday** at St Brigid's.
Please ensure that you complete the deposit slip in full including your child's Student Number. This number can be found written on the inside of the folder.

Please note that the bank cannot accept cheques for student banking.

**Administration of Medication**

At times medication needs to be administered to a child at school ie, antibiotics, ear drops etc. If you need us to administer medication to your child during school hours, you must complete the attached Student Medication Request form.

- Medication is to be provided in the original pharmacy labelled container/box to the school.
- Please ensure medication is not out of date and has an original pharmacy label stating the student's name, dosage and time to be taken.
- The student needs to have previously received a dose at home without any ill effects.
- The medication must be collected when it is no longer required at school.
- A new form must be completed if the student is prescribed a change.

NB: Where possible, medication should be administered to your child at home at times other than during school hours.
