FROM THE PRINCIPAL

Term 1 Week 3

This Sunday is the First Sunday of Lent.

The Season of Lent begins on Ash Wednesday and concludes on the Thursday of Holy Week. Traditionally Lent is a time for renewing and deepening one’s Christian commitment by prayer, almsgiving and fasting.

The readings this week set the scene for the following weeks. The readings capture the essence of the human condition and reveal God’s unconditional love for all.

In the First Reading from Deuteronomy, Moses reminds the people of their miserable past and how God, as he loved them, freed them from slavery and delivered them to the land flowing with milk and honey. In the Gospel we hear of the temptation of Jesus and come to understand that there are many temptations that can distract us from living a good life but Jesus shows that faith in God’s words is sufficient to triumph over temptation.

In the Second Reading Paul declares that Faith, freely given by God, is sufficient to be saved. ‘If your lips confess that Jesus is Lord and if you believe in your heart that God raised him from the dead, then you will be saved’ Romans 10: 9

The readings this week challenge us to evaluate our own human condition, to acknowledge God’s unconditional love and to respond in Faith.

What a way to start Lent!!!

What is on over the following week

The students marked Shrove Tuesday and participated in an Ash Wednesday Mass or Liturgy.

2016 Parent Teacher information sessions were held on Monday, Tuesday and the final session will be held on Wednesday evening.
Year 4 tablet ‘Bootcamp’ will be held on Wednesday February 10th.

CBA staff will visit St Brigid’s before school on Tues 9th to assist parents with opening student banking accounts.

Good luck to all competitors at the St Brigid’s Swimming Carnival on Friday February 12 at Somerset Pool.

Assembly prayer this week was led by 6A whilst 5A will lead next week’s.

The AGM of the St Brigid’s Parents and Friends’ Association will be held on Wednesday Feb 17 commencing at 7 pm in the school library.

Positive Behaviour for Learning (PB4L)

This week we will be expanding on Rule #1: **Respect for Self and Others** by focussing on the principle of children keeping ‘their hand and feet to themselves’. Please reinforce this message at home. Keeping one’s hands and feet to themselves is a cornerstone of creating a safe learning environment for all.

“Look at your past. Your past has determined where you are at this moment. What you do today will determine where you are tomorrow. Are you moving forward or standing still?”

Parish News

**Sacramental Policy Update**

This year the new Archdiocesan Sacramental Policy will be implemented at St Brigid’s Parish with children in Grade 3 being Confirmed, Grade 4 First Communion and Grade 5 Reconciliation.

The program will be implemented in the 3rd term with enrolments in the second term. The date for Confirmation is Friday 26th August.

If there are any children in Grade 3 or above who have not received the Sacrament of Confirmation Father Rafal would like to encourage parents to enrol the children in the program.

A copy of the new policy can be accessed using the link below.

Fr Tim Harris from Surfers Paradise is inviting us to celebrate the opening of the Holy Doors at Sacred Heart Church, Clear Island Waters on Friday 12th February at 6.30pm. More information is in the special leaflet available at the entrance to the church.

**Top tips for back to school**

**Start your routines again as soon as you can.** Getting back to school-day bedtimes is a good place to start. Decide on a school-day routine and stick to it.

**Try to prepare in advance.** Then you won’t be in a panic assembling books and gear at the last minute and your children will be equipped for their school day.

**Be prepared for back-to-school blues.** Changing from the relaxed and lazy days of summer is hard on all the family but if your child seems too worried or stressed, find out what is wrong and see what you and the school can do to help.

**Talk about change.** Whether it is a new school, or a change in your family’s circumstances, make time to talk about any fears or worries. Accompany your child so they can get used to the new journey.
Your child may be worried about losing friends who are going to a different school or about making new friends. Talk about ways children can gradually make new friends.

Tell your child you are excited for them and the year ahead. If your child is about to start an important year such as the first year at secondary school, they may need reassurance.

Address any problems left over from last year. If your child has experienced bullying or has had problems at school, discuss what they want to happen this year and how they can achieve their goals.

Be prepared to give them a bit of leeway for the first week. School can be a long day for children and when they are out of practice it can be exhausting. Early bedtimes and a regular routine are helpful.

Celebrate the first weeks back. Have a family outing or meal or other treat to regroup and talk about the week.

Prep Enrolments 2017

Later this term we will commence our enrolment interviews for next year’s Prep cohort. If you have a younger child eligible to start Prep next year or have friends or relatives with children eligible to start Prep in 2017 please submit an enrolment application and/or advise your friends and/or relatives to do so over the next month. Enrolment applications are available from the office or available to be downloaded from our website www.sb.qld.edu.au.

Children are required to turn 5 by 30th June 2017 to be eligible to enrol in Prep for next year.

Shrove Tuesday 9 February 2016

What is Pancake Day?

Pancake Day in Australia is also known as Shrove Tuesday and is celebrated as Carnival and Mardi Gras elsewhere in the world. Next enjoyed on February 9 2016, it was traditionally a day of fun and feasting before the fasting during 40 days of Lent. Shrove Tuesday is a moveable feast and is determined by Easter. The word "Shrove" comes from the word shrive, meaning "confess". Many classes will be eating pancakes on this day and having discussions about the sacred season of Lent.

Project Compassion

This week the season of Lent begins with Ash Wednesday, which also marks the beginning of the annual Caritas Australia Project Compassion appeal.
The donations from St Brigid’s Primary school to Project Compassion help to allow Caritas Australia, the Catholic Agency for International Aid and Development, to work towards a more just and fair world, where the basic human right for food is met and sustained.

Each child will receive a Project Compassion box sometime this week. You can also donate online via the website at http://www.caritas.org.au/projectcompassion.

You might like to follow the inspirational weekly stories of the Project Compassion 2016 feature people, and learn about how their lives have changed through your support of Caritas Australia’s development programs.

First Week of Lent

Click here to watch Doney’s story.

Like many families in her remote village, Doney and her family have often gone months without enough to eat. But with the support of Caritas Australia and local partner CADECOM, the people of Doney’s community have learned to harness their strengths. Today they are building new livelihoods, improving health and growing literacy to create paths towards a better future.

Please donate to Project Compassion 2016 and help people in remote areas of Malawi harness their strengths and pave the way towards a thriving future.

Ash Wednesday

We welcome everyone in our school community to attend the Ash Wednesday Mass this week, which will be celebrated with Father Rafal at 9.15am with Years 2-6 in St Brigid’s church. Prep to Year 1 will be having a special Ash Wednesday liturgy in the church after Mass with Sister Brigid.

Prayer on Assembly

We thank 6A for the messages in their prayers at the whole school assembly on Monday. The children explained about the meaning of Lent and shared with us some of the promises that they will try to keep during this time.

5A will lead next week’s prayer.

If you have a collection of supermarket bags you do not need, please send them along to the library.

I am looking forward to seeing all the children in the library this week in the library this week. However, as I will be attending the swimming carnival which is on this Friday, we ask that year 3 students bring their library bag in on Thursday so that we can supply the children with a 'mysterybook'.

Prep News

We would like to thank everyone who attended our Prep information night. It was nice to meet you all once again.

This week is the start of Lent. On Ash Wednesday the children will attend and participate in a special Liturgy and receiving ashes on their forehead.

This week the children are learning the letters and sounds ‘Tt’ and ‘Ii’. We can now start to make little words like “at, it, as, etc... It is a good idea to point these words out to your child. Also keep encouraging your child to know the new sounds/letters, as it is necessary for the early stages of reading and writing.

In Maths we are making connections with the children’s prior learning and doing lots of activities involving the numbers from 0-10.

In Religion we have been talking about Jesus’ family. We will be comparing the same and differences in our family to Jesus’ family.

The children will start their oral presentation from the information received from their “All about Me” sheets this week.

Our inquiry question for Geography this term is “What are places like?” We looked at our globe and maps of the world. Some children shared information with their classmates of other countries that they knew.

In Visual Arts, we painted and collaged the letters A and S in the primary colour, blue. They are displayed in our rooms.

Year 1 News

In Week Two the students enjoyed many interesting lessons. We began our weather chart for February. We watched a film discussing weather and storms in particular. We look forward to our Prayer Walk. It was postponed last week due to the extreme hot weather. We have discussed what prayer is and when we can pray. The children are looking forward to getting their home readers later on during the week. In Maths, we are counting and writing the numbers to thirty, with focus on the concepts of before and after, larger and smaller. This is a good time to learn to tie shoelaces if your child has not yet mastered this skill. It makes them very proud to be independent. We are encouraging the children to eat well and get into the "big school" routine. It is taking some a little time to adjust. We look forward to seeing you on Wednesday night at the Parent Information evening. We meet first in the MPA at 7PM, followed by classroom meetings at 7.30. Please bring your questions along.

We are all looking forward to the swimming carnival this Friday. Please ensure everyone has appropriate equipment with them ready for the day. All notes should now have been returned to teachers.

Internet user agreements have been sent home as well. Please read these through with your children and use this as an opportunity to discuss safe use of technology and the internet.
Year 6 News

The students have settled in well into Year 6 and are becoming accustomed to their new classmates, teachers and surroundings. We are looking at the many different personality types and learning styles that make up our class. This will lead into our unit, “Everyone Belongs” where we will be learning about the diversity of cultures which make up our country and the wonderful contributions that each have made. The students will no doubt find it hard to picture a time when pizza, sushi and satay were not a part of our diet. Get ready to be asked many questions about your family’s origin!
